

JOB DESCRIPTION

JOB TITLE	Corporate Services Clerk
DEPARTMENT / PROGRAM AREA	Corporate Services
REPORTING TO	Project Manager
EFFECTIVE DATE	April 2022
SALARY	Band 3

JOB SUMMARY

Reporting to the Project Manager, the Corporate Services Clerk provides confidential support to the corporate services management team, including assistance with confidential correspondence, portal entries, system access, administrative activities, contract management and purchasing and reporting.

This position supports the Project Manager Project Manager in researching, implementing and testing new technical solutions to support staff and management. Research will often require the Clerk to source new solutions to what may be a confidential issue.

The Corporate Services Clerk will also assist the Contract and Purchasing Specialist in managing the contracts in SharePoint. The Clerk will load document into DocuSign (or other appropriate software) and seek the necessary signatures then load the executed contracts into the contract management software (currently SharePoint).

As assigned, the Corporate Services Clerk will conduct private interviews with staff and management to determine points of failure with current systems. They will also be in office part of the time to ensure the physical distribution and collection of hardware as needed.
