

COMMUNITY PARAMEDICINE PROGRAM BACKGROUND

Delivery of all Community Paramedic Programs is through the District of Nipissing Social Services Administration Board (DNSSAB).

The program operates from the Nipissing Paramedic Services main base in North Bay, reaching out to all areas in Nipissing District.

Since it began in 2014, the program has continued to expand in size and scope in order to serve the residents of the entire region.

All Community Paramedics in the program receive training designed specifically to support patients in the community, with the ultimate goal of increasing quality of life and promoting healthy living.

FREQUENTLY ASKED QUESTIONS

Will you talk to my doctor, pharmacist or other health care providers?

With your consent, yes we will.

How long will I stay on care?

That's specific to each patient, but the goal is to connect you with the services you need as soon as possible.

How much do services cost?

The service is free to all residents.

Do I need a family doctor to participate?

You do not need a family doctor to participate.

How do I get referred?

It's most effective for a health care agency to refer you, such as your doctor or Home and Community Care Support Services.

WHAT WE DO

Provide safe, professional in-home health care for anyone who can't easily access services.

HOW WE DO IT

We work with other community health professionals to find solutions to your health care needs. We can support you to get the care you need.

WHY WE DO IT

We believe we can help you to set and reach your health goals to achieve wellbeing and independence in your own home.

GERIATRIC COMMUNITY OUTREACH PROGRAM (GCOP)

A highly trained Paramedic is paired with a Registered Nurse specializing in geriatrics. The aim is to safely address medical issues in the home, prior to them becoming serious situations.

In addition to Community Paramedic Core Services, GCOP team is trained in specialized medications, geriatric assessments, wound management and catheter care.

GCOP can be reached by calling 705-474-5750.
